Hint on HTML Structure using Nav Elements

```html
<body>
    <header>
      <h1>Birdwatching</h1>
      <img src="dove.png" alt="a simple dove logo">

      <nav>

      </nav>
    </header>

    <main>

      <article>

      </article>

      <aside>

      </aside>
    </main>

    <footer>

    </footer>

  </body>
```
